

19th Singapore Inter-Club Bridge League - Your Say

The verdict is out. A month ago, the League Organising Committee (LOC) distributed a "long questionnaire" - as described by some - at Bukit Timah Community Club (CC) on 13 August. Our main objective was to determine how all of you felt about the League after 7 Open Houses. This feedback, at the halfway mark, was to help us improve our organisation of the League.

A total of 93 bridge players participated in this survey, of which 84 did it in the 8th Open House at Bukit Timah CC, and 9 did it in the 9th Open House at Japanese Club as well as during a Sunday afternoon game at SCBA Bishan.

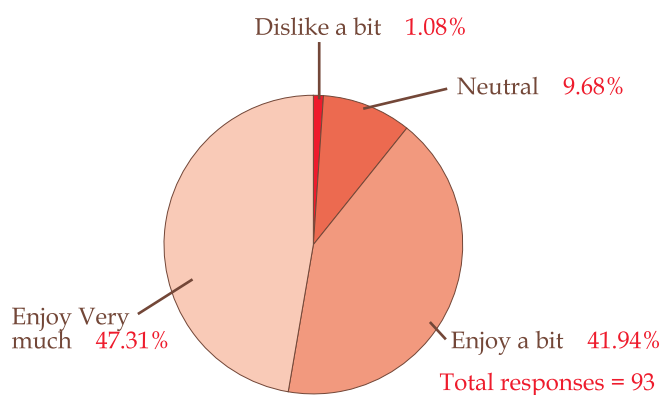

We are most pleased to announce that 89% of those sampled have enjoyed the games so far, and 88% of you are satisfied or very satisfied with the organisation of the Inter-Club League 2005! In addition, 78% rated this year's League as an improvement from last year's.

The results of the survey showed that we have made a difference this year. The LOC would like to thank everybody for his participation and feedback. We would also like to acknowledge that all these improvements would not have been possible without the support of our kind sponsor, Saniva International.

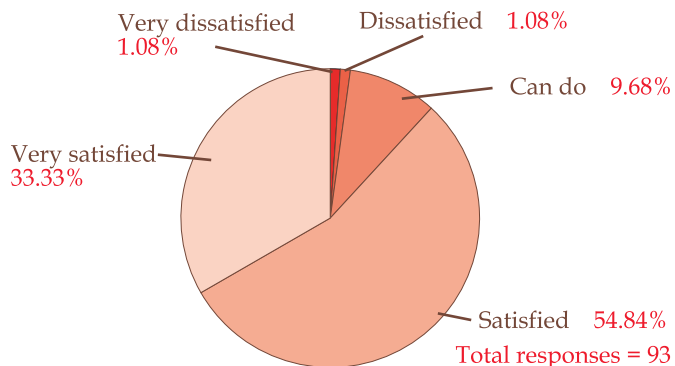

Your responses have reaffirmed that we are moving in the right direction in bringing the Inter-Club Bridge League to a more professional and enjoyable level. The breakdown of your responses to each question detailed below.
